## **MAINTENANCE MANUAL – ULTIMATE SEAMLESS MEMBRANES**

RTT Sealant products, when applied correctly, create a durable, long lasting membrane requiring little to no maintenance. Under normal conditions the membrane will only require inspection after 5 – 7 years on the anniversary of the installation. Contact RTT Sealant to arrange for a representative to be present to provide expert advice.

If required, cleaning will be performed by a light pressure wash. Inspections, repairs and maintenance performed by RTT Sealant will be charged at an hourly rate of \$90.00\*/hour + GST and \$17.50\*/L + GST of each product used. *\*Prices subject to CPI*

Please contact RTT Sealant if you have any comments or questions.
