PERFORMANCE BENEFITS

- ▶ **Superior Performing Membrane**
 - Bonds to most construction materials
 - Seamless membrane protects substrate against:
 - Corrosion
 - Water damage
 - Chemical attack
 - Elongates 1000% with 95% recovery
 - Withstands thermal cycling
 - Puncture resistant
 - **Potable Water Certified**
- ▶ **Significant installation cost savings**
 - Minimal surface preparation required
 - More cost effective than replacing your roof
 - One coat system (Coloured Top Coats available)
 - Easily transportable – mobile application units
- ▶ **Environmentally friendly and safe**
 - VOC (Volatile Organic Compound) free
 - Water soluble
 - Non toxic
